BIO-DATA

1. Name **Dr .P. A SURESH MBBS,MD,DM.MBA**

2.	Date of Birth	:	10-11-1954
3.	Present Designation	:	Director ICCONS, Trivandrum & Shoranur (Former additional Prof .of Neurology, SCTIMST, Trivandrum)
4.	Residential Address	:	Kannante Veedu ; DNRA 32; Kudappanakunnu P O; Trivandrum 695043
5.	Telephone Office	:	9847323466, Res: 0471-2730244
6.	E- mail/ Fax	:	pasuresh@doctor.com
7.	Qualification	:	MBBS MD (General Medicine) DM (Neurology) MBA (Health Administration)

Details of Graduate and post graduate and Post- Doctoral Qualifications

Name of Degree	Name of the Institution	Year of Passing	Name of University & Place
MBBS	Medical College, Kottayam	1977	University of Kerala, Trivandrum
MD (General Medicine)	Medical College, Alleppey	1986	University of Kerala, Trivandrum
DM (Neurology)	Sree Chitra Tirunal Institute for Medical Sciences and Technology Trivandrum	1991	Sree Chitra Tirunal Institute for Medical Sciences and Technology Trivandrum Deemed University
MBA	Sikkim Manipal University Directorate of Distance Education	2013	Sikkim Manippal University

8. Work Experience

Designation	Name of the Institution	Period		Nature of duties
		From	To	
Executive Director ICCONS Project Director SRCCD	ICCONS Trivandrum ICCONS ,Shoranur (Re-Employment by Govt. of Kerala)	2009	Continuing	Administrative Academic Head of two Institutions of ICCONS, Project Director SRCCD, Member Secretary to GB SRCCD Prof .Of Neurology, Management of Clinical Services OP, IP Emergencies, Research and Development According to Objective of ICCONS, Teaching and Training
Director ICCONS Project Director SRCCD	ICCONS ,TRIVANDRUM & SHORANUR (Deputation from SCTIMST)	1998	2009	Administrative Academic Head of two Institutions of ICCONS, Project Director SRCCD, Member Secretary to GB SRCCD Prof .Of Neurology, Management of Clinical Services OP, IP Emergencies, Research and Development According to Objective of ICCONS, Teaching and Training
Additional Professor	SCTIMST Thiruvananthapuram	2000	2009	Clinical Services in OP ; IP and Emergency management Teaching Research
Associate Professor	SCTIMST Thiruvananthapuram	1997 July	2000 July	Clinical Services in OP ; IP and Emergency management Teaching

				Research
Asst.Professor of Neurology	SCTIMST Thiruvananthapuram	1992 July	1997	Clinical Services in OP ; IP and Emergency management Teaching Research
Resident in Neurology	SCTIMST Thiruvananthapuram	1988 Jan	1990 Dec (including period of training)	Clinical Services in OP ; IP and Emergency management Teaching Research
Tutor in Medicine	Medical College, Alleppey (Kerala State Medical College Services)	1982 Feb	1987 Dec	Clinical Services in OP ; IP and Emergency management Teaching Research
Asst Medical Officer	Govt Dispensary, Koottical, Kerala Health, Services.	1981 Feb	1982 Feb	Clinical Services in OP ; IP and Emergency management

9. Teaching Experience

(Only full time teaching experience in a teaching Institution should be mentioned)

Name of the Institution	Name of the Course	Period		Subject Taught
		From	To	
1. Medical College, Alleppey (Kerala State Medical College Services)	MBBS and MD	1982 Feb	1987 Dec	General Medicine for both under graduates and post graduates
2. SCTIMST	DM	1992	2009	Neurology
3. ICCONS	BASLP and MASLP	2000	continuing	Cognitive Neuro Science, Neurology

10. Research Experience

a. *research work carried out and completed , if any please enclose the list*
b. *Research Projects in progress, if any please enclose the list*
c. *Please furnish the following*

No of research projects undertaken / involved	Title of research projects
1	A study of “Enteric fever with reference to clinical features and chloramphenicol resistance”. Thesis submitted during M.D (General Medicine) - training.
2	“Hexosaminidase in Juvenile MND” - Thesis submitted during D.M Neurology training.
3	Senior Research Fellow and then Co-investigator of the Project “A linguistic study of communicative disorders an interdisciplinary study”. (A project worked out by Department of Neurology, SCTIMST and International School of Dravidian Linguistics, Thiruvananthapuram, Financed by Govt. of Kerala).
4	Principal Investigator of the Project “ A correlative study of structural alternations of brain anatomy in aphasic patients with linguistic abnormalities - observations using CT MRI imaging study - internal project - Department of Neurology and Radiology, SCTIMST, Thiruvananthapuram.
5	Principal Investigator of the project -” A comparative study of the role of Free Radicals in Transient Ischemic attacks, completed stroke migraine and dementia of Alzheimer’s type”. Financed - State Dept. of Science and Technology
6	Principal Investigator of the Project - “An Epidemiological Survey of Developmental Language Disorders and Learning Disabilities among School Children in Kerala”.
7	Principal Investigator of UNDP Pilot Project – “School Health Care Programme on Learning Disability” Community based rehabilitation and resource centre development.
8	Principal Investigator “Maternal Training Programme for rehabilitation of children with autism”, NRHM Project-1 – 2007-2008
9	Principal Investigator “ Multimodal Stimulation for Rehabilitation of children with Autism” NRHM-2, 2008-2009
10	Principal Investigator “Comprehensive Management And Prevention Of Mental Health Problems Of Patients With Cognitive, Communicative And Behavioural Disorders” NRHM-3 - Development of Excellence in Disabilities – 2008 ongoing

11	Principal Investigator ‘ National Programme for Rehabilitation of Persons with Disabilities” , Palakkad District, Kerala , 2008 ongoing
12	Principal Investigator “ Genetics basis of Autism and Neuro Developmental Disorders an exploratory study” NRHM-4, 2009- ongoing project- Establishment of infrastructure and research.

11. Publications

Publication of scientific papers / presentations made in National and International Journals / conference proceeding / seminars etc, if any . Please enclose Bibliographic list

1. Spino Cerebellar Degeneration with interesting features. Nair K.G, ***P.A Suresh,*** JAPI, 1986 Nov.

2. Speech and Language Assessment Battery (SLAB) in Indian languages. ***P.A Suresh,*** Maya.S.,Mohan.P.K. ISDL publications Thiruvananthapuram 1993.

3. Case studies on Aphasia - Derivations of Brain mechanisms of language processing from observations of subject with communicative disorders. “Brain and Language”. ***P.A Suresh,*** Maya.S, Mohan.P.K. Seminar Proceedings, ISDL Publications, Thiruvananthapuram. PP 153 - 190, 1994,

4. Rehabilitation of Communicative Disorders: Experience outcome and newer perspectives “Brain and Language”,Maya.S, ***P.A Suresh,*** Seminar Proceedings, 210; 1994, ISDL Publications, Thiruvananthapuram.
5. Brain and Language Seminar ***P.A Suresh,*** Annie Monsy, Maya.S. (Edts) Proceedings, ISDL.

6. Landau – Kleffner Syndrome: Clinical Electro encephalographical, neuro radiological and speech pathology characteristics, ***P.A Suresh,***, Maya.S, Praleema. L, Varghese. N, Santhosh Kumar, Radhakrishnan. K –Proceedings of Fourth Annual Conference of Indian Academy of Neurology- September 27-29, 1996 – Page -31

7. A new coding system for English alphabets with potential applications in the language rehabilitation of mentally retarded, linguistically handicapped and in computer science. ***P.A Suresh,*** S.Maya, Koruth P. Varghese. IJD, VolXXIV No.1

8. Acute Pseudobulbar Mutism: A patient with an unusual stroke syndrome associated with good functional recovery. B.Santoshkumar, P.Abdu Rahiman ***P.A Suresh,*** K Radhakrishnan. JAPI 1996, Vol.44, No.8, 567-568.

9. Motor Neuron Syndrome and Thymoma, Pandian JD, Mathuranath PS, ***P.A Suresh,*** Radhakrishnan K. Myasthenia Gravis, Neurology India 46, 232-234, 1998.

10. Subclinical hyperthyroidism and hyperkinetic behaviour in children. ***P.A Suresh,*** Sebastian S, George A, Radhakrishnan K. Pediatr Neurol 1999; 20: 192-194

11. Developmental Gerstmann's Syndrome - A distinct clinical entity of learning disabilities. ***P.A Suresh,,*** Sebastian S. Pediatr Neurol 2000; 22: 000-000

12. Epidemiological and neurological aspects of learning disabilities. ***P.A Suresh,*** Swapna Sebastian. Learning Disabilities in India-Willing the mind to learn, edited by Prathibha Karanth and Joe Rozario, SAGE Publications 2003-30-43

13. Congenital Suprabulbarpalsy -a distinctive clinical entity with heterogeneity causes. ***P.A Suresh,,*** Deepa C. Developmental Medicine and Clinical Neurology 2004,46:617-625

PAPERS PRESENTED AT SEMINARS, CONFERENCES, WORKSHOPS

1. Familial spinocerebellar degeneration. ***P.A Suresh,*** Shenoy.R.K, Nair.K.G, Association of Physicians India (API) Kerala Chapeter Meeting on 28/12/1985 at Tellichery.

2. Enteric Fever. ***P.A Suresh,,*** Shenoy.R.K, API, Kerala Chapter Meeting on 6/7/1986 at Trichur.

3. Brain and Language - Anatomical substiate for normal language processing based on observations on subject with communicative disorders. ***P.A Suresh,*** Maya.S and Mohan.P.K.

20th International Conference of Dravidian Linguistics - at ISDL, Thiruvananthapuram, August 20th to 22nd 1992.

4. Language and Brain. Aphasic Profiles of Language processing based on observations of subject with communicative disorders. Maya.S, ***P.A Suresh,*** 20th All India Conference of Dravidian Linguistics ISDL, Thiruvananthapuram, August 20 - 22nd 1992.

5. Case studies on Aphasia. Derivations of Brain Mechanisms on language processing on subject with communicative disorders. ***P.A Suresh,*** Maya.S, Mohan.P.K, Seminar on Brain and Language, ISDL, Thriuvananthapuram, Nov 18 - 20th 1993.

6. Perspectives in Rehabilitation of communicative disorders. Maya.S, ***P.A Suresh,*** Seminar on Brain and Languages ISDL, Thiruvananthapuram on Nov 18 - 20th 1993.

7. Wernicke's aphasia - Clinico Anatomical Correlation**.** ***P.A Suresh,*** Maya.S, 22nd All India Conference of Dravidian Linguistics, ISDL, Thiruvananthapuram June 23 - 25th 1994.

8. Wernicke's aphasia - Aphasia profile, Maya.S ***P.A Suresh,*** 22nd All India Conference of Dravidian Linguistics, ISDL, Thiruvananthapuram June 23 - 25th 1994.

9. Autism - A defective linguistic memory. A barrier to psychosocial behaviour. ***P.A.Suresh,*** Maya.S. Psychonational - March 22nd to 24rth 1995

10. Subcortical aphasia - A clinico anatomical correlation. Annual conference of Indian Speech and Hearing Association 1995.

11. Landau – Kleffner Syndrome: Clinical Electro encephalographical, neuro radiological and speech pathology characteristics - ***P.A Suresh,*** Maya.S, Praleema. L, Varghese. N, Santhosh Kumar, Radhakrishnan. K- Fourth Annual Conference of Indian Academy of Neurology- September 27-29, 1996

12. "Epidemiology and Neurological aspects of learning disability" National Conference on L.D. 98 on 21st and 22nd of November `98 at Institute of Speech & Hearing Bangalore.

13. “Assessment of Dementia” CME programme in psychiatry update on Dementia on 7th February 1999, organised by Dept. of Medical college, Calicut, Alzheimer’s & Related Disorders Society of India- Calicut Chapter at calicut, Kerala

14. Clinical features and Diagnosis of Autism - C.M.E and National Conference on Dementia – April 10th & 11th 1999 at Trivandrum, Kerala

15. “Autism & Immunology” 1st National Conference on Autism and other related Disorders on 20th and 21st November 1999 at Trivandrum, Kerala

16. “Autism and Related Disorders (PDD) - Diagnosis and Medical Disorders associated with Autistic Spectrum Disorders” 1st National Conference on Autism and other related Disorders on 20th and 21st November 1999, at Trivandrum, Kerala

17. “Neural Mechanisms behind Normal Language Processing” – ‘1st International Conference – Neurology, Language & Cognition -2000’ on 20th, 21st & 22nd December 2000. at Trivandrum, Kerala

18. “Early detection, prevention and Rehabilitation of childhood Handicaps” ‘2nd International Conference – Neurology, Language & Cognition - 2002’ on 18th, 19th & 20th of December-2002, at Trivandrum, Kerala

19. A comparative study of Socio-cultural aspects of Autism, LD and MR” ‘2nd International Conference – Neurology, Language & Cognition - 2002’ on 18th, 19th & 20th of December-2002. (Organising Secretary for both 1st and 2nd International Conference), at Trivandrum, Kerala

20. Inferences from a comparative study of developmental profiles of children diagnosed with Classical Autism and Semantic Pragmantic Disorder - Rohni.T, Dr. A.M. Marykutty, Dr. Bindu, P, Dr. ***P.A Suresh, -*** LD and MR” ‘2nd International Conference – Neurology, Language & Cognition - 2002’ on 18th, 19th & 20th of December-2002, at Trivandrum, Kerala

21. Neuro Biology of Brain and Language Relationships. Speech and Language Science : Current trends and future directions – National Seminar 10-11, April 2002 at Mysore.

22. Diseases of Nerve system in children with special reference to Speech Disorder. National Seminar & Workshop on Kaumarabrithyam (Indian Paediatrics) Baalya -2003 on 24th.25th, & 26th April 2003, at Trivandrum, Kerala

23. “Autism” presentation of paper and chairing the session. XIVth Ranbaxy Science Foundation’s Round Table Conference – 30th November 2004, New Delhi.

24. Cerebral Mechanisms on Language Processing and Aphasic Transformation.
1st Kerala South Zone Conference on ISHA on 25th September 2005, Calicut, Kerala.

25. Genetic, Neurological and Behavioral basis of third Gender National Workshop on third Gender Concerns 15th and 16th march 2006 –. Organised by Health Environment Agriculture and Village Education Net work (HEAVEN) and Institute of Development Alternatives (IDA), Chennai, Tamilnadu.

26. National Conference on Learning Disability – Keynote address – Learning Disability 23rd March 2008, Bangalore

27. Clinical Spectrum of Pervasive Developmental Disorders and Neurobiology of Cognition. National Conference on Autism 9th,10th and 11th April 2008, Shoranur, Kerala.

28. Effectiveness of multimodal stimulation in children with autism, ***P.A.Suresh,*** Meena Menon, Ramya Ramachandran, Rasmiya Abdul Razak, Dhanalakshmi, National Conference on Autism 9th,10th and 11th April 2008, by NRHM, Shoranur, Kerala.

29. Global Developmental Delay with Autism - ***P.A.Suresh*** Meena menon, Rincy George, Nisha. M.L, National Conference on Autism 9th,10th and 11th April 2008, by NRHM, Shoranur, Kerala.

30. Diagnosis of Autism Before 2yrs of age – P.A.Suresh, Meena Menon, Nisha. M.L, Rincy George, Remya. M.S, National Conference on Autism 9th,10th and 11th April 2008, by NRHM, Shoranur, Kerala.
31. Stress on Parents of children with Autism - A comparative study : P.A. Suresh, Meena Menon, Rose Thomas, Rasmi. P.L, Deepthi. P, Shoranur, Kerala.
32. **“**Neuro Developmental Disorders” – Paper presented as special invitee on “Neuro Update” Organised by Calcutta National Medical College &Indian Institute of Chemical Biology, CSIR, at IICB, on September 20-21, 2008**,** Kolkata, west Bengal.
33. “Genetics of Mental and Behavioural Disorders” Paper presented as special invitee on “National Symposium on Genetics and Family welfare” at Thrissur, Kerala.
34. “Cognition Brain and the Universe” Paper presented on 2009, seminar of Consciousness and Neuroscience, Kalady, Angamali, Kerala 2009.
35. “Autism an update” Paper presented on 2010 at Kottakkal Ayurvedasala, Trivandrum
36. “Autism Early Detection and Management” Paper presented on 2010 at Ayurveda Samajam Cheruthuruthy.

37. “Diagnostic Tools in Autism” Paper presented on 18.11.2010 at Trivandrum
38. PDD –Causes and Association –Paper presented global Autism Summit Bangalore May,2011.

14. Any other relevant information

Co guide to post graduates student research on Ayurvedic drug trials on Cognition and Language affiliated to University Calicut.

o Examiner for Ph. D on speech language pathology Mysore University

o Examiner for M.Phil in Clinical Psychology, Mysore University

o Experts to B. Ed Special education course University of Kerala

o WHO Guidelines on Basic Training & Safety in Panchakarma scheduled on 4th & 5th September 2007

o Organized Several National and International Conferences on Cognitive and Language Disorders

o Task force member of Cognitive Science Research Initiative (CSRI), Department of Science and technology (DST), New Delhi.

o The Establishment of ICCONS and formation of Charitable Society SRCCD was mainly based on the Project submitted during my career at SCTIMST, worked in collaborating Govt. of Kerala and SCTIMST to establish the ICCONS institution, worked almost for 15 years from 1998 for mobilizing funds, getting donation in the form land, building and equipment from different sources including Philanthropists ,National and International agencies and State and central Government .Travelling continuously between the two organization carried out Patient management created awareness among parents and public about cognitive and language disorders and other acquired developmental disabilities age across. Started courses in Speech Language pathology

(both undergraduate and post graduate. Guided and Organized the activities of ICCONS Shouranur towards to the final phase of National Accreditation.

Today ICCONS has both National and International Client load and is the Pioneer Medical Institute of Multidisciplinary nature for Disabilities and Non Communicable Neurological Disorders age across

The Institute which started in a rented building at Trivandrum has now Two established Centres with 3.5 and 8 acres of land respectively at Trivandrum and Shoranur and over One lakhs square feet Building and Immovable properties worth more than 15 crore

15. Awards

1. Selected for Save India National award , 2011 for contribution to Medical Sciences.
2. Lions International Excellence award 2014 (Jan).
